“...My son goes to your 2nd period. I just wanted to write this note to thank you for kindling the interest in comp science in him. Though my husband and I are in this field, his interest in this field seems to have taken off only after attending your class...”

Vidya Narayanan
Parent

“...James essentially took over the department, doing an outstanding job. He has gained the full respect of the administration and department chairs in his ability to get the job done, and done very well. ”
